What Our Customers Say

"The Panorays platform was the catalyst for third-party collaboration."

Jon Atchison, Lead of IT Governance, Risk and Compliance, CAPTRUST

"The platform gives me a holistic view of looking at a vendor and removes the manual effort away from having to plug away for hours to get that information."

Ra'Monne Hayes, Director of Information Security, Senior Risk & Compliance Manager, Sisense

"With Panorays, we were able to cut the time spent on vendor assessments by 50%."

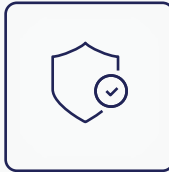

Sam Potashnick, Information Systems Team Leader, Payoneer

"Having just one place to go to that manages all third-party security risk in a supply chain is really efficient."

Andy Black, CISO, Sir Robert McAlpine (SRA)
